

ENGINEERING

Fridah Nzaba

Fridah achieved a Distinction* in her **BTEC Level 2 First Diploma in Engineering[†]** and went on to study a BTEC Level 3 National Subsidiary Diploma in Engineering alongside her A levels in Physics, Maths and Business Studies.

Fridah's proactive thinking and outstanding grades led her to secure high-quality employment in engineering on the Rolls Royce Aerospace's Higher Apprenticeship scheme.

Find out how BTECs can open doors to university degrees and professional success at BTEC.co.uk/BTEC4me

[†]The registered title of these qualifications are: BTEC Engineering Level 3 Subsidiary Diploma and BTEC Level 2 Engineering Diploma.
